Hello everyone!

My days as a junior in high school never slow down. Cheering for basketball continues to be busy. Once basketball is over, we'll be starting Swing Show practice. Swing Show is our high school spring variety show; I tried out for a solo and made it as one of the soloists, so I'll be singing again this year. Along with singing my solo, I'll be performing with the band, chorus, singing with the girls group and performing with the dance team. I'll have a lot of stage time.

I look forward to the winter sports wrapping up and spring sports to begin. I'm very excited for soccer season; soccer is by far my favorite sport. Our school is merged with the Union school district in LaPorte City for girl's soccer. We play with the big schools, Davenport, Mason City, Iowa City, Dyersville, and Decorah. I've already begun running on the treadmill to get myself back in shape. The one thing I've learned about getting into shape...if you stay "in" shape, there's no getting "back in" shape. Something my Mom says is good to learn at a young age.

I had a great time in Arizona for IFF Workshop, the weather was amazing! I didn't miss school, but getting caught up on work was a challenge.

I look forward to convention, in April I'll be going on my high school band trip to New York, we'll be going to Branson for Easter and prom is April 26<sup>th</sup>.

There are many busy and fun times ahead!

Farmerette,  
Alexis Taylor

**Treasurer:** Dixie Ann Brown.

Dixie gave the one item of income (bank interest earned), no expense items from the November 31<sup>st</sup> balance forward to the December 31<sup>st</sup> 2013 ending balance.

Motion by Carol Chatfield, seconded by Alicia Brown to approve the Treasurer's report. No discussion, motion carried.

This report will be filed for audit with a copy to the Secretary as an attachment to these minutes.

Carol concluded that workshop was quite an interesting experience and indeed she had a good time. **Door Prizes:** Queen Carol gave two door prizes. The lucky recipients were Glen

Brown and Carol Chatfield.

Queen Carol reported that President Chris couldn't attend today's meeting because he had a bus trip, and since he came to the meeting last month and Carol worked, she should come to the meeting today.

#### **President & Queen**

On Valentine's Day we took off to the Heartland Convention in Nebraska. We left immediately after bus route, due to the weather and a delay for an accident; we got there about 1am. We were up at 6am and ready to go early Saturday morning. There were 44 people in attendance; it was a nice convention, great hospitality.

Workshop in Tucson was a very good time, the tours were great. Carol's first commercial flight was wonderful and she'd do it again. She really likes the small planes better and missed looking at the air map to see where we were.

We look forward to seeing everyone at the IA/MO Convention! We hope for sunshine as we all know, we're overdue!

#### **President & Queen**

On Valentine's Day we took off to the Heartland Convention in Nebraska. We left immediately after bus route, due to the weather and a delay for an accident; we got there about 1am. We were up at 6am and ready to go early Saturday morning. There were 44 people in attendance; it was a nice convention, great hospitality.

Workshop in Tucson was a very good time, the tours were great. Carol's first commercial flight was wonderful and she'd do it again. She really likes the small planes better and missed looking at the air map to see where we were.

We look forward to seeing everyone at the IA/MO Convention! We hope for sunshine as we all know, we're overdue!

Hello everyone!

My days as a junior in high school never slow down. Cheering for basketball continues to be busy. Once basketball is over, we'll be starting Swing Show practice. Swing Show is our high school spring variety show; I tried out for a solo and made it as one of the soloists, so I'll be singing again this year. Along with singing my solo, I'll be performing with the band, chorus, singing with the girls group and performing with the dance team. I'll have a lot of stage time.

I look forward to the winter sports wrapping up and spring sports to begin. I'm very excited for soccer season; soccer is by far my favorite sport. Our school is merged with the Union school district in LaPorte City for girl's soccer. We play with the big schools, Davenport, Mason City, Iowa City, Dyersville, and Decorah. I've already begun running on the treadmill to get myself back in shape. The one thing I've learned about getting into shape...if you stay "in" shape, there's no getting "back in" shape. Something my Mom says is good to learn at a young age.

I had a great time in Arizona for IFF Workshop, the weather was amazing! I didn't miss school, but getting caught up on work was a challenge.

I look forward to convention, in April I'll be going on my high school band trip to New York, we'll be going to Branson for Easter and prom is April 26<sup>th</sup>.

There are many busy and fun times ahead!

Farmerette,  
Alexis Taylor

Hello everyone!

My days as a junior in high school never slow down. Cheering for basketball continues to be busy. Once basketball is over, we'll be starting Swing Show practice. Swing Show is our high school spring variety show; I tried out for a solo and made it as one of the soloists, so I'll be singing again this year. Along with singing my solo, I'll be performing with the band, chorus, singing with the girls group and performing with the dance team. I'll have a lot of stage time.

I look forward to the winter sports wrapping up and spring sports to begin. I'm very excited for soccer season; soccer is by far my favorite sport. Our school is merged with the Union school district in LaPorte City for girl's soccer. We play with the big schools, Davenport, Mason City, Iowa City, Dyersville, and Decorah. I've already begun running on the treadmill to get myself back in shape. The one thing I've learned about getting into shape...if you stay "in" shape, there's no getting "back in" shape. Something my Mom says is good to learn at a young age.

I had a great time in Arizona for IFF Workshop, the weather was amazing! I didn't miss school, but getting caught up on work was a challenge.

I look forward to convention, in April I'll be going on my high school band trip to New York, we'll be going to Branson for Easter and prom is April 26<sup>th</sup>.

There are many busy and fun times ahead!

Farmerette,  
Alexis Taylor

#### **President & Queen**

On Valentine's Day we took off to the Heartland Convention in Nebraska. We left immediately after bus route, due to the weather and a delay for an accident; we got there about 1am. We were up at 6am and ready to go early Saturday morning. There were 44 people in attendance; it was a nice convention, great hospitality.

Workshop in Tucson was a very good time, the tours were great. Carol's first commercial flight was wonderful and she'd do it again. She really likes the small planes better and missed looking at the air map to see where we were.

We look forward to seeing everyone at the IA/MO Convention! We hope for sunshine as we all know, we're overdue!

Hello everyone!

My days as a junior in high school never slow down. Cheering for basketball continues to be busy. Once basketball is over, we'll be starting Swing Show practice. Swing Show is our high school spring variety show; I tried out for a solo and made it as one of the soloists, so I'll be singing again this year. Along with singing my solo, I'll be performing with the band, chorus, singing with the girls group and performing with the dance team. I'll have a lot of stage time.

I look forward to the winter sports wrapping up and spring sports to begin. I'm very excited for soccer season; soccer is by far my favorite sport. Our school is merged with the Union school district in LaPorte City for girl's soccer. We play with the big schools, Davenport, Mason City, Iowa City, Dyersville, and Decorah. I've already begun running on the treadmill to get myself back in shape. The one thing I've learned about getting into shape...if you stay "in" shape, there's no getting "back in" shape. Something my Mom says is good to learn at a young age.

I had a great time in Arizona for IFF Workshop, the weather was amazing! I didn't miss school, but getting caught up on work was a challenge.

I look forward to convention, in April I'll be going on my high school band trip to New York, we'll be going to Branson for Easter and prom is April 26<sup>th</sup>.

There are many busy and fun times ahead!

Farmerette,  
Alexis Taylor

**Treasurer:** Dixie Ann Brown.

Dixie gave the one item of income (bank interest earned), no expense items from the November 31<sup>st</sup> balance forward to the December 31<sup>st</sup> 2013 ending balance.

Motion by Carol Chatfield, seconded by Alicia Brown to approve the Treasurer's report. No discussion, motion carried.

This report will be filed for audit with a copy to the Secretary as an attachment to these minutes.

**Old Business:** None

**New Business:** Convention Chair Larry Jennings gave information on the tours, etc.

**Friday: 9:00 AM** - leave for the first tour – Kenzie about 23 miles West of Iowa City. This will be about an hour or so tour. Lunch place and time: TBA **1:00 PM** – National Driving Simulator

**Following** that tour: Herbert Hoover Museum at West Branch **Evening:** IFF Duchess & IA/MO Queen Carol Detje - - - - - and granddaughter IFF Farmerette Alexis Taylor will have their "Duchess and Farmerette Day"

**Saturday: 8:30 AM** Business Meeting

**Noon:** Men's and Ladies Luncheon

**Evening:** Banquet and Coronation

**Queen:** Carol Detje. Queen Carol gave a brief report on the 2014 Workshop which she attended in Tucson, Arizona earlier this month. It was a good workshop with 98 in attendance. The seminars were very interesting, and one rancher that lives quite close to the border related some experiences in dealing with just a few of the problems facing ranchers like himself today.

Carol concluded that workshop was quite an interesting experience and indeed she had a good time. **Door Prizes:** Queen Carol gave two door prizes. The lucky recipients were Glen

Brown and Carol Chatfield.

Queen Carol reported that President Chris couldn't attend today's meeting because he had a bus trip, and since he came to the meeting last month and Carol worked, she should come to the meeting today.

**Miscellaneous:** Sandra Kongable reported she had received an e-mail from former member Stanley Volkens, and she will forward it on to the other members.

Larry Jennings gave information on a few of the past Iowa FF Scholarship recipients.

#### **President & Queen**

On Valentine's Day we took off to the Heartland Convention in Nebraska. We left immediately after bus route, due to the weather and a delay for an accident; we got there about 1am. We were up at 6am and ready to go early Saturday morning. There were 44 people in attendance; it was a nice convention, great hospitality.

Workshop in Tucson was a very good time, the tours were great. Carol's first commercial flight was wonderful and she'd do it again. She really likes the small planes better and missed looking at the air map to see where we were.

We look forward to seeing everyone at the IA/MO Convention! We hope for sunshine as we all know, we're overdue!
